

Teacher Resource Kit #1

The *I Believe in Me* Web site is designed as an interactive career-awareness resource for kids. Many schools and other organizations also use our site so we have put together a resource package to help save time when downloading.

This kit contains the following each in MS Word and Adobe pdf format:

- *Careers For Kids Who Like*© printout for grades K-1 and 2-4
- *When I Grow Up*© template
- *Lesson Plans*
- *Achievers Screensaver**
- *Career Word Find* game printout
- *Career Coloring Pages*
- *Career Crowns*

*for Windows operating system only

Children can also send each other or their instructor an e-card with a message related to a profession of choice as an assignment.
